AGREEMENT

FOR VEGAS HOT AIR SIN CITY BALLOON RIDES Inc.

Please read the following carefully.

Hot air ballooning is a fun activity but can be associated with certain risks. This agreement includes important information and releases. Please ask us if you have any questions about this agreement.

I understand that there are certain risks involved with hot air ballooning as with any extreme sport.

I understand that such risks include, but not limited to:

- (a) Loss or damage to person or personal property.
- (b) Bodily injury.
- (c) Landing in remote places without medical facilities.

I agree that I am in good physical condition or have consulted with my physician and I am physically able to participate in hot air balloon activities. I agree to let the pilot(s) or staff at Vegas Hot Air Sin City Balloon Rides know of any medical conditions that I have.

I agree that I have had no major surgeries in the past thirty days that could affect my condition.

I certify that I am 18 years of age or older, or that I am the legal guardian and or parent of the minor passenger using the services Vegas Hot Air Sin City Balloon Rides with authority to sign on said minor's behalf. If I am signing for a minor passenger, all waivers, releases, assumptions of risk, terms of agreement, representations, acknowledgments, and certifications apply equally to such a minor.

I understand that Vegas Hot Air Sin City Balloon Rides will not and cannot fly me if I am pregnant, have a heart condition, back problems, casts, recent surgeries, on oxygen or any other medical condition that might make it unsafe for me to fly.

A hot air balloon is a federally licensed aircraft with licensed pilots. I agree that the pilot(s) is in command and that I will follow his instructions with this hot air balloon activity. I understand the pilot at his discretion has the right to end the flight if he deems it necessary due to passenger safety or unexpected weather becomes an issue or when he finds a safe landing spot. Hot air balloons do not have engines, so when a landing spot becomes available I understand the pilot has the discretion to land.

I willingly, and voluntarily assume full responsibility for all risks of any kind that is involved with or arising from my participation in hot air balloon activities with Vegas Hot Air Sin City Balloon Rides whether during flight preparation, take-off, flight, landing, transport to or from the take-off or landing areas, or otherwise.

I certify that I have no physical or mental defect or medical condition that prevents me from participating in any hot air balloon activities.

I understand that hot air ballooning is a fun activity and that I am electing to participate on my own free will.

I agree to the above terms and conditions and take full responsibility to participate in the hot air balloon activities provided by Vegas Hot Air Sin City Balloon Rides.
